3.3(b)(1)

A leader of the Chilean Movement of the Revolutionary Left (MIR) who was arrested in Argentina in early August told

3.3(b)(1)

that a Cuban Embassy official in Buenos Aires had given him support, including funds ($75,000 for the months of June and July). The MIR leader also confirmed that Cuba provides clandestine guidance and support to the Argentine "Montonero" terrorists and to the terrorist-oriented Revolutionary Coordinating Junta (JCR) which is composed of Argentine, Uruguayan, Bolivian and Chilean extremist groups, including the MIR.
